REPORT ON PARENTS' FEEDBACK ON PANDU COLLEGE

Session: 2025-26

1. Introduction

Parents' feedback is important for assessing the quality of education and the overall development of an institution. It provides insights into parents' perceptions of infrastructure, academic experiences, teaching support, student facilities, and opportunities. This report presents the supplied response distributions for the Parents' Feedback Survey of Pandu College for the session 2025–2026. Ten aspects were assessed and illustrated through pie charts.

2. Objectives of the Survey

1. To assess satisfaction with infrastructure and campus cleanliness.
2. To evaluate learning experiences and learning resources.
3. To understand views on teacher accessibility and mentoring support.
4. To assess library and sports facilities.
5. To examine extracurricular activities and placement/internship opportunities.
6. To identify strengths and areas for improvement.

3. Methodology

A structured questionnaire containing ten questions was used. Responses were grouped into Very Good, Good, Average, Poor, and Very Poor. The supplied values for each question were used to prepare individual pie charts, with percentages calculated from the values provided.

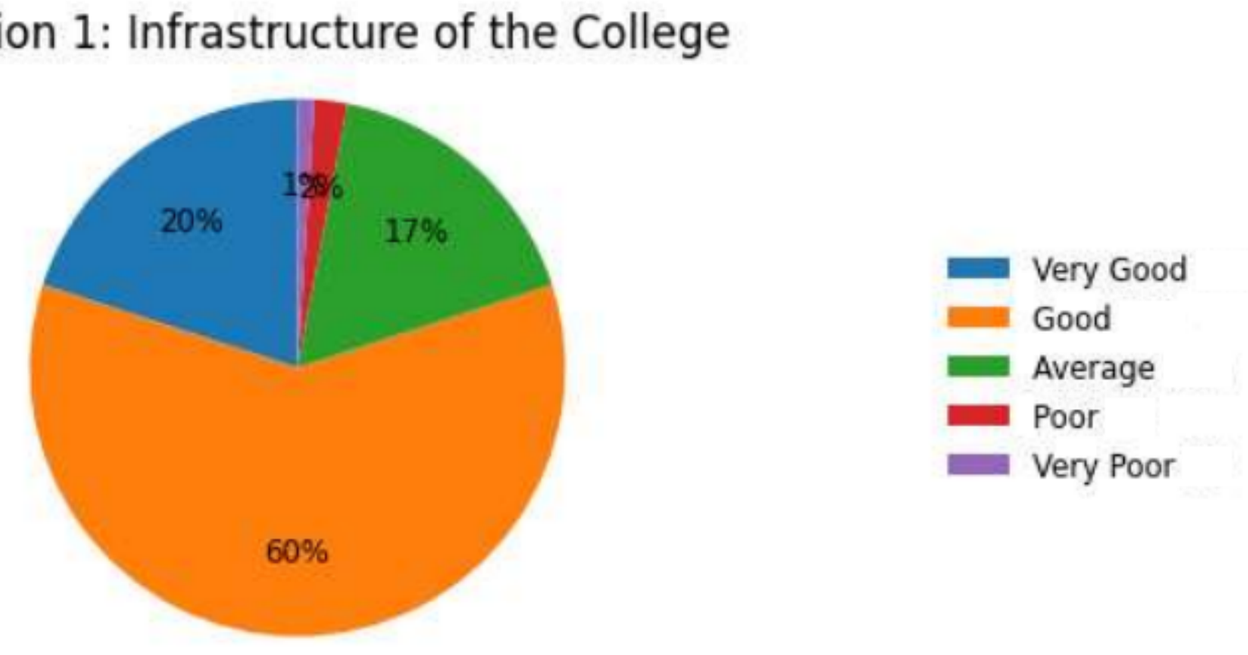

4. Analysis and Interpretation

The supplied response distributions show generally favourable views across the ten aspects. Teacher accessibility received the highest positive rating (88%), followed by students' learning experience and library facilities (85% each). Infrastructure and mentoring support each received 80% positive ratings. Campus cleanliness (75%) and learning resources (77%) were rated positively by most respondents. Sports facilities had the lowest positive rating (66%), while placement and internship opportunities received 71%, with a relatively high proportion of Average responses.

6. Suggestions for Improvement

7. Maintain infrastructure and campus cleanliness.
8. Strengthen digital and academic learning resources and enrich library facilities.
9. Maintain effective communication between teachers, students, and parents.
10. Improve sports infrastructure, equipment, and participation opportunities.
11. Develop mentoring, academic counselling, and career guidance.
12. Expand extracurricular activities and placement/internship opportunities.
13. Conduct feedback surveys periodically to monitor progress.

7. Conclusion

The feedback data indicate an overall positive assessment of Pandu College, particularly regarding teacher accessibility, students' learning experiences, and library facilities. The responses also identify opportunities to improve sports facilities, career-oriented support, placement and internship opportunities, and selected learning resources. These observations can support institutional planning and continuous quality enhancement.

Note: The report uses the response values supplied for each question. No separate verification of the total number of respondents was performed.
