Registrar,

To

The Principal  
Affiliated colleges under Gauhati University, Assam

**Sub:** List of Colleges eligible for starting 4<sup>th</sup> year Honours Programme of the FYUGP

Sir/Madam,

Please find attached the list of colleges that have applied for permission to start the **4th Year Honours Programme** under the Four-Year Undergraduate Programme (FYUGP) of Gauhati University. The attached list contains the colleges found eligible to offer the 4th Year Honours Programme under the FYUGP as per the ordinance and declaration submitted by the college.

The list of colleges eligible to offer the 4th Year Honours with Research Programme will be notified separately.

This list has been prepared based on the recommendations of the Affiliation Committee in its meeting held on 14 July 2026, taking into consideration the faculty data submitted by the colleges in the prescribed format.

From the list of colleges, it is evident that many institutions do not fulfill the minimum eligibility criteria with respect to the required number of teachers. In such cases, the concerned college may submit an undertaking, duly signed by both the Principal and the President of the Governing Body, stating that the college will appoint a full-time teacher (either as a Guest Teacher or Teaching Associate, as deemed appropriate) in accordance with the prevailing Government of Assam rules. This will enable the University to examine the representations received and finalize the list of colleges eligible to offer the programme.

Upon commencement of the programme, the college shall submit to the University the list of teachers appointed, along with all relevant appointment documents for verification.

This is for your kind information and urgent necessary action.

Yours faithfully,

  
**Registrar**  
**Gauhati University.**
